Dear Business Owner,

At Partners in Learning, we have served young children with autism spectrum disorders in the community since 1999. Our unique early intervention preschool centers offer individualized and inclusive therapy for children with this serious neurological condition. We are dedicated to creating places where all children can successfully learn and grow together. To expand access to our wonderful programs we have a goal of raising \$50,000 for our Annual Child Sponsorship Fund, and to raise \$10,000 for our Technology Fund.

On May 2nd, we are planning to host our 18th Annual "Diamonds & Denim" fundraiser at Masso's Crystal Manor in Glassboro, NJ 08028. This will be an evening of fun, food, and casino games and prizes. All event proceeds go directly towards our 2025 child sponsorship efforts and Technology Fund. However, with your *Corporate Event Sponsorship*, we know our efforts will go further! We have provided attached information regarding our various event sponsorship options, along with the many benefits our sponsors are eligible to receive. With your organization as a community partner by our side, we are certain we can achieve our goal!

If your company is interested in being an official Event Sponsor, please contact Lori Lorenzetti at 856-374-2821. If your company prefers to make an individual donation amount to our Annual Child Sponsorship Fund, we have enclosed additional information for general donations, as well.

With warm regards,

Lori Lorenzetti
